READY FOR WORST

This Applies Both to Germany and England, Dutch Officials Declare Little Country Is Devoting Much Time to Upbuilding of Her Army and Navy-Even Queen's German Husband Is Watched.

By CARL W. ACKERMAN United Press Staff Correspondent)

THE HAGUE, Oct. 1 .- (By Mail) The Dutch government is ready to land's neutrality. Outch officials ad-

Jioliand is not tempting fate. Mendenhall place, or delivered in though. Her dis chuats and influential newspapers are doing their test to beep her from any combination of cir. amstances that might force her to side with one bedigerent or the other in the war Dutch officials candidly ad mit they will fight England for any unneutral act against or upon Dutch soil; and that the same thing goes for Germany. Holland will fight her for the same reasons and just as quickly.

Holland is devoting as much time, material and energy to the upbuilding of her army as she is to the development of her navy.

Today it is the queen who is the Every morning at 6:30 she is at her desk and she works all day. She at- pealed." tends every ministerial council, and ployment on ranch. NORMAL REGENTS

Salem, Ore., Sep. 22.-The Board of Regents of the Oregon Normal School filed its final draft of a survey made of the Normal School condition to the State Superintendent of Public Instruction on Thursday. That the State of Oregon is sadly in need of an additional Normal School as is provided by the initiative measure creating such a school at Pendleton is recognized by of the condition of the one present too, in their report, that any new mal School should be located in a town having public schools large

"It is apparent to anyone who has test notes to both Great Britain and a valid ordinance, and should be which the passage of the present or studied the situation that there is need of additional Normal School facilities in Oregon: the Monmouth School alone cannot care for the number of students in Normal School within the next two or three years, and it will be necessary to send Oregon students to Washing ton and California for their training."
